CALLS FOR NETWORKING

Laurie Zack, Director of Public Relations passed along this request. **Two California women, Charlotte Moon Hamilton (e-mail: mizmoon@well.com) and Jeanne Lese (e-mail: Frekkie@earthlink.net) are asking for your participation with their online research project entitled "Women, the Internet, and Economic Survival" (WIES). The group is investigating how women in various countries actually use the internet. Both women are members of the American Association of University Women (AAUW) The results of their survey will be given in a session at the International Federation of University Women (IFUW) in Austria in August 1998. They are anxious to get women from many countries to answer a ten-question online survey. If you would like to participate in the survey, or can pass this information along to colleagues in other countries, the WIES website address is <http://www.well.com/~mizmoon/index.html>**

Suzanne Hildenbrand invites descriptions for a Mapping the World of Women's Info Services project in conjunction with the KnowHow conference on women's information to be held August 22-26 in Amsterdam. The project is an inventory of women's information

services throughout the world. Material can be written, photographic, audio-visual or digital. Info: lishilde@acsu.buffalo.edu.
